

TSPS GULF COAST CHAPTER 9 2nd ANNUAL SURVEYORS SALTWATER RODEO FISHING TOURNAMENT

Dear Sponsor:

The Texas Society of Professional Surveyors (TSPS) is a state-wide organization of land surveyors. We work to educate the public about our profession, encourage our profession to young people, lobby legislative issues with the government, and various other activities to keep active in our communities. We have many programs to advance the surveying profession, such as the Trig*Star math competition, continuing education seminars and scholarships.

The TSPS Gulf Coast Chapter is currently working on our 2nd fishing tournament to be held at the TopWater Grill in San Leon, Texas, August 15th & 16th, 2008. There will be an entry fee for all participants and prizes will be awarded to winners (no cash prizes). The sole purpose of the tournament is to raise money for our educational programs. The scholarships will be awarded to surveying students currently living in or from the Gulf Coast area who are enrolled in a community college or attending a major university with the intent of becoming a Registered Professional Land Surveyor.

We are looking for Sponsors to supplement our funds for door prizes, the awards ceremony, the mixer, trophies, fishing shirts, caps and koozies. Attached are dollar amounts that we are hoping to receive for each of the categories listed above. We will have a banner with the names of the sponsors at the awards ceremony and mixer. The name of the sponsors of the trophies will be engraved on each trophy. The name of the sponsors of the remaining categories will be printed on the items. If you are interested in becoming a sponsor, we would welcome any amount that you could donate or any item that we can give away as prizes.

We would be extremely honored if your company would sponsor and/or donate funds/prizes to help this tournament be as successful as last years, Please attend the tournament mixer and awards dinner as we would be honored to have you experience the festivities. Also please enter a team if you want, it is open to all.

Best regards and thanks for your support of education,

Kevin D. McRae, R.P.L.S.
